REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or reasonably suggest a transdermal comprising monoterpene ketones as recited in the instant claims. The concentration recited in the claims is sufficient to mask the odor of nicotine in the patches. The claims are also drawn to a method of masking the odors of nicotine with a concentration of monoterpene ketones in the transdermal patch. For these reasons the claims are novel and non-obvious over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Micah-Paul Young whose telephone number is 571-272-0608. The examiner can normally be reached on M-F 7:00-4:30 every other Monday off.
